

Fall

2010

Inspiring Student Achievement

Through Academic Competition

Workshops for Academic Coaches, Teachers, Coordinators, Administrators & Parents

Find new excitement in teaching and the information resources you need to direct a successful PSIA academic program for 2010-11. Workshops offer explanations of rule changes in contest content and administration. Learn from experienced coaches and directors how to prepare students for contests, gain public support, and coordinate a successful academic program. • Half-day workshops include a light breakfast and lunch. All participants receive resource materials to assist in preparing schools to participate successfully in the upcoming spring meets. Valuable door prizes will be awarded throughout the sessions. Certified Inservice Credit (Professional Development Certification Credit - CPE) will be documented.

- PSIA Director, Dr. Patricia Walters, will discuss use of PSIA web technology and important changes in the conflict pattern, plus other rule changes that are effective in 2010-11. Presentations at some workshops by successful directors and contest writers will add to educators’ effective use of contest materials. A major focus will be in training prospective volunteers and contest administrators utilizing information from the *PSIA Academic Handbook*.
- Experienced educators who have guided students to success in academic competition will share strategies and ways to encourage students to reach for their highest academic and personal goals.
