

A State Meet – Parking

We received word that the UPD will not be ticketing on Saturday for the A State Meet. You are free to park in Matthews Street Garage or Pleasant Street Garage or any other place that is not reserved or handicapped without the proper decals. The LBJ Student Center Garage is a paid garage, so if you park there, you will have to pay when you exit. There are some other places to park on campus too.

You do NOT need to display a PSIA parking permit, but you can if you want to.
