

AA State Meet – Parking

Since April 26 is also Bobcat Days (where incoming freshmen come to tour the campus and meet with the major departments), we will **not** have access to the LBJ Parking Garage or the Matthew Street Garage. With this lack of parking and instead of requiring everyone to walk about a mile (uphill), we rented some shuttles to carry participants onto campus.

1. Park at the University Events Center (aka Strahan Arena).
2. Take the bus onto campus.
3. The drop-off point is very close to Derrick and Evans, our two buildings that we will use for competition.
4. This same area will be used to load the bus to return to your cars.

Buses will run from 7:00am to 5:30pm.

Pleasant Street Garage is available, but very limited. Please reserve these spaces for those with difficulties walking. Handicapped parking spaces are available for those with designated license plates or window tags.

If you need to drop-off a tent, table, and/or chairs, you may use the N LBJ Loop. (N LBJ and Sessom Dr)

Since you will need to ride the bus to get on campus, please allow a few extra minutes.

“AA” STATE MEET -- PARKING

2 DROP OFF

1 LOAD BUS

(1) Park at University Events Center (aka Strahan Arena). Ride the bus to the Drop-off Loop (2). Derrick and Evans are close by. See map. Pleasant Street Garage is available.
